Dear Alton,

On behalf of the American Concrete Institute, I would like to thank you and your staff for your assistance in making the ACI Fall 2005 Convention in Kansas City a success.

Kathy Stipek as well as the other registration staff did an exceptional job! It is only through the efforts of great suppliers such as Agenda Kansas City that we can produce a productive and memorable convention.

Thank you again and we look forward to working with you on a future program!

Best regards,

Renee J. Lewis, CMP
